DELEGATE IS EXPELLED

Miners Oust Man Who Made Savage Attack on President Mitchell.

(By Associated Press.)
INDIANAPOLIS, IND., Jun. 20.—Robert Randall, delegate to the United Mine Workers' convention from Dietz, Wyoming, who charged President Mitchell

with having sold out to the operators during the receit Colorado strike, was expelled from the organization to-day by the National Convention.

Randall took the floor and made a statement which was marked by an absence of the abuse of President Mitchell which he used yesterday. President Mitchell replied to him and demanded that either limself or Randall should not be in the convention. In his statement President Mitchell said;

"If one charge that this delegate makes is true? Lam unfit to occupy the place I do. I should be deposed. If they are into, I have a right to protection. Either this man or I should not be here. One of us should leave this convention. I leave if for the delegates to say which it shall be."

be.'
Delegate Walker, of Illinois, floor leader of the Socialists in the organization, then presented a resolution, which was adopted unanimously. It declares the statement made by Randall to be false, and suspends him until he makes public retraction of his "unwarranted attack" on the officers of the organization.
Delegate Randall arose, and standing at his seat, refused to retract, and walked from the convention.
